

SERVICE AWARD

The Amarillo USBC Association is committed to service and excellence. We are proud of our association and strive to increase the opportunities available to our members for participation in all our activities. Our members are very active and spend countless hours as volunteers. Many of our projects and tournaments would not be successful without these volunteers. This year we these volunteers want to recognize with our SERVICE AWARD. We would like to take this opportunity to invite each league to submit the names of individuals they feel are deserving of this award. The officers of each league, specifically the secretary and president are being asked to submit a name for consideration, and we welcome your interest.
